Ispirazioni

LA NATURA ISPIRA, L'ARTISTA REALIZZA

CALCETERRA

LA NATURA ISPIRA, L'ARTISTA REALIZZA

Un'infinità di impressioni, realizzate dalla mano protagonista dell'uomo.

Trame, incisioni, sapienti spatolate, pennellate, orme, intarsi, scanalature, graffiti, geometrie e dettagli trasmettono potenti suggestioni, tattilità, riflessi, morbidezze, profondità e tonalità.

Calce, Terra e Acqua. Tre elementi per una parete naturale.

NATURE INSPIRES, THE ARTIST REALIZES

An infinity of impressions, made by the human hand protagonist.

Textures, engravings, skilful spatulas, brush strokes, footprints, inlays, grooves, graffiti, geometries and details convey powerful suggestions, tactility, reflections, softness, depth and hue.

Lime, Earth and Water: three elements for a natural wall.

MADE IN ITALY

CALCETERRA

CALCETERRA è un rivestimento naturale ed ecologico, per pareti, a base di CALCE e TERRE NATURALI, caratterizzato da colori palpabili e da sensazioni morbide e delicate. È disponibile in 4 TEXTURE, ispirate alle fibre vegetali (scheda tecnica C 501.20):

- Base CT 1 Texture COTONE: setosa, sottile ed elegante;
- Base CT 2 Texture LINO: leggermente stropicciata e morbida al tatto;
- Base CT 3 Texture JUTA: rustica e materica;
- Base CT 4 + CANAPA: additivata con canapa naturale con proprietà isolanti e benefiche

CALCETERRA è una polvere composta da calce naturale e marmo bianco di Carrara, da miscelare con acqua. Presenta una resistenza naturale all'attacco di muffe e batteri, è di colore bianco e può essere colorata con 20 TERRE NATURALI per ottenere le 60 tonalità della collezione.

CALCETERRA base CT 2 Texture LINO, inoltre, può essere additivata con frammenti di mica Argento oppure Bronzo per un riflesso luminoso e naturale.

CALCETERRA base CT2 è il prodotto ideale per realizzare la collezione ISPIRAZIONI.

CALCETERRA is a natural and ecological wall covering based on LIME and NATURAL SANDS, characterized by palpable colors and soft and delicate sensations. It is available in 4 TEXTURES, inspired by fibers (technical sheet C 501.20):

- Base CT1 Texture Cotton: silky, thin and elegant;*
- Base CT2 Texture Linen: slightly creased and soft to the touch;*
- Base CT 3 Texture Jute: rustic and material;*
- Base CT 4 + Hemp: added with natural hemp with insulating and beneficial properties.*

CALCETERRA is a powder composed of natural lime, white Carrara marble, to be mixed with water. It has a natural resistance to the attack of mold and bacteria, is white in color and can be colored with 20 NATURAL SANDS to obtain the 60 shades of the collection. CALCETERRA base CT 2 Texture Linen, moreover, can be added with Silver or Bronze mica fragments for a bright and natural reflection.

CALCETERRA base CT 2 is the ideal product to create the collection ISPIRAZIONI
